

AGN. NO.

MOTION BY SUPERVISOR GLORIA MOLINA

May 19, 2009

On February 25, 2007, Luis Sandoval was riding his bike near the intersection of Olympic Boulevard and Hicks Avenue when he witnessed two males tagging the side of a nearby business. At this point in time, one of the males produced a handgun and shot Mr. Sandoval. The suspects fled the location in a white sedan east on Olympic Boulevard. Although Mr. Sandoval was struck by the stray bullet in the chest, he did not initially die from his injuries. Four months passed and in late June 2007, Mr. Sandoval passed away due to the stray bullet that he took to his torso. Mr. Sandoval was a 71-year-old, hard-working retired steel worker with a large family, an innocent bystander, who was on his way home. Investigators are seeking the public's assistance in bringing the perpetrators of this heinous crime to justice, and anyone with information about this case is being urged to contact Detective Ken Perry with the Los Angeles County Sheriff's Homicide Bureau at (323) 574-3645 as soon as possible.

I, THEREFORE, MOVE that the Board of Supervisors re-establish a \$25,000 reward for information leading to the capture of the suspect.
